Mr. Baldauf called the examiner and indicated that neither of the references (Morris and Peipel) used in the Dec. 20, 2002 office Action had a filing date before the priority date of the present application. The foreign priority is based on an application in the United Kingdom. The examiner agreed and indicated a new Office Action would be mailed which relied on a different reference. No response to the December 20, 2002 Office Action is due from the applicant at this time.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
